

Thank you for helping us reach 102 years of The Woodland Planters Days Celebration!

As President, my hope is that this event is and continues to be the pride of the community, bringing families and the community together to celebrate.

While the origins of the event celebrated successful endeavors that sustained the community, the focus now celebrates the town, the people, the organizations, and how they are connected.

The spirit of the event faithfully endured the 2 years that challenged us, and the 2 years since have shown promising resilience and recovery from those challenges.

For over a century, Woodland Planters Days Celebration is for you! Fireworks, parades, community, and celebration!

Here is where we ask your help to continue to make this event a success. Please consider supporting with a sponsorship, prize donation, or volunteering during the event.

The Woodland Planters Days Celebration Committee serves the community in promotion and production of this event each year. With this, we embrace the opportunity to involve our community in participation. For our area nonprofits, we hope to team with them in offering the benefits of exposure and co-fundraising during the event. Businesses play an important role in sponsorship of events, contests, and other important elements of the production. Finally, the community joins in with excitement and we celebrate. Planters Days is truly a celebration of the community and its rich history.

Our meetings are held monthly on the third Tuesday 6 PM, at the Woodland VFW Post 1927, 434 Davidson Ave. Woodland, WA 98674. The website is www.planters-days.com.

Planters Days planning happens year-round, every year. We look to you, the community, to join with us in planning, sponsorship, donations, and continued support for this event. Some of the organizations that also benefit each year include:

- Woodland VFW
- Lelooska Foundation
- Woodland Moose Lodge
- Woodland Rotary
- WHS Senior Class
- Calvary Church
- Woodland Historical Society and Museum
- Hulda Klager Lilac Gardens
- Clark Cowlitz Fire & Rescue
- Friends of Woodland, WA Library
- Others

We want to support your business and provide an opportunity to advertise your company as well. All sponsors will be listed on social media, website, and advertising. We understand not every business will be able to provide to Planters Days, but we look forward to supporting your business however we can during the event this year. We welcome your involvement and again thank you for your support!
